I am offering below my (surplus stock of glads,) to which I have added a few specials. All of them are of good healthy stock and guaranteed true to name. I have divided them into three sizes, large medium and small. Large bulbs are size 2 or larger, medium sizes 3 & 4 and small less than size 4. I have grouped them in lots as I did last year, but any lot of \$1.00 or more I will divide. All orders of \$1.00 or more sent prepaid and I think you will find that they are priced right with the lowest. Bblts added in many cases where not listed.
